

# *Global Outreach Prayer*

Dear God,

Your mercy shines upon us every day

And you are always with us.

I ask you for one thing,

That I will be aware of your presence

As often as possible.

Dear Lord, Father, Son and Holy Spirit,

I should thank you more.

Thank you for the simplest things, for my talents,

For people who care about me,

And for your love toward me,

But the most important thing for which I thank you,

O Lord, is the gift of life.

I thank you for it every day when I get up,

In every situation

When I give and receive love from others,

And even when I struggle.

My struggles are hard,

But I know that they are my offering to you –

An offering leading to eternal life.

Everything depends on you,

Lord, my God,

So why am I in fear of the future?

Why do I collect things instead of giving?

Please, give me the love

With which I can help people in need

And with which I can work with you, dear God,

To build the civilization of love.

Bless the Global Outreach Program

That people involved in it may become

True dynamic servant leaders.

Through the Holy Spirit and Your Son,

Jesus Christ Our Lord.

Amen.
